Employee price may vary due to changes in your discount.
A 2-year PCS Advantage Agreement is required.

*Taxes, surcharges (including a USF charge which may change monthly – currently 2.29% – and cost recovery fees of \$1.50), or other fees which vary by market, not included. Cost recovery fees are not taxes or government required charges. Call 1-866-770-6690 for the up to date amount of the USF charge and information on cost recovery charges related to federally mandated programs. Monthly discount only applies to your recurring monthly service plan charges (not taxes, surcharges or other charges). PCS Vision: Two-month free offer requires activation of PCS Vision on a PCS Vision enabled phone before 7/3/04 and will appear as a credit on your invoice. If you do not wish to continue PCS Vision services after the initial 2 months, you must contact us prior to the billing end date of your second invoice to avoid charges. Sprint may deny or terminate service without notice where uses in connection with server devices, host computer applications or other systems that drive continuous heavy traffic or data sessions, or as substitutes for private lines or frame relay connections. Not available while roaming off our enhanced PCS network. Premium content not included. **PCS Free & Clear America:** Not available with single-band phones or to customers residing in an area not covered by the Sprint Nationwide PCS Network. **Sprint may terminate service if a majority of minutes in a given month are used while roaming off the Sprint Nationwide PCS Network.** International calling while off the Sprint Nationwide PCS Network (including in Canada) not included. Usage in Expanded Voice Coverage areas may, in some instances, be invoiced after 30-60 days. When calling from Expanded Voice Coverage areas: (a) PCS Vision and PCS to PCS Calling services are not available; and (b) certain calling features (Voicemail, Caller ID, Call Waiting, etc.) may not work. **Service Plan:** Offer ends 7/3/04. Voice usage rounded to next whole minute. Night & Weekend hours are Monday-Thursday 9 p.m.-7 a.m. and Friday 9 p.m.-Monday 7 a.m. With the exception of the PCS Free & Clear America option, included minutes are not good for calls made while roaming off our network, whether local or long distance. Domestic roaming calls are charged \$0.50 per minute and, if applicable, an additional \$0.25 per minute for long distance. Individual Purchased Lines: Subject to credit. \$150 early termination fee and a \$36 nonrefundable phone activation fee may apply to each line. A deposit may be required. Corporate-purchased lines are, except as otherwise provided herein, subject to the terms of a wireless services agreement with Sprint. See PCS Representative for full details.
